Tips for Successful Submissions

The Medical Marijuana Registry frequently returns application packets and forms due to easily preventable mistakes. Below is a checklist to help you avoid delays in application or forms approval.

1. Use the current version of application and other forms.
2. Fill forms out completely. Write neatly.
3. If you make a mistake, complete a new form. Do not cross-out, write-over or use white-out to correct information.
4. Sign and date forms in front of a Colorado notary.

5. If a fee is required, include a form of payment.
a. Make the check or money order out to CDPHE.
b. The patient's name must be on the form of payment.

d. If using a check, the Registry does not accept temporary checks.
e. If you qualify for a fee waiver, submit a Request for Fee Waiver/Tax-Exempt Status form.
6. Include all required IDs.
a. Include a copy of your Colorado driver's license or state ID.
b. If you do not have a Colorado ID, submit your out-of-state ID and proof of Colorado residency.
c. If a caregiver is listed on your form, include a copy of the caregiver's ID.
7. Incomplete forms or application packets will be rejected and returned to you. Completed application packets include:

c. If a caregiver is listed, a copy of the caregiver's IDs.
d. If the patient does not have a Colorado ID, include proof of residency paperwork.

8. Submit forms and all supporting paperwork to the Registry in the same envelope. The Registry cannot match items sent separately.
9. Send all forms within the required timeframe. Applications must be received at the Registry within 60 days of the physician's signature on the Physicians Certification. All other forms must be received within 10 days of the notary's signature.
